Manitoba Prompt Payment

‘SUPPORTING OUR CHAMPION’

On behalf of our 30+ member coalition we are reaching out to organizations, companies, members and employees in support of our hard working and diligent MLA, Reg Helwer, Brandon West.

To say the least Reg has championed our cause with his continued efforts on our ‘private’ members, Prompt Payment bill! We expect him to continue this through the completion of third reading in his anticipated 3rd term in office!

We know he is in for a good battle and we need to rally the ‘consenting’ troops, to aid his cause and ours. We believe that some outside influences [possibly some GC’s] have taken up the cause of the opposing candidates in his riding!

Therefore could you see yourself contributing to Reg’s cause? Would you forward this message to people within your organization / company? To those who might consider supporting Reg at this time.

[suggested] Personal Contributions under \$300.00 – they do not carry a name on the official ‘elections act’ donators list [anonymity purposes]. Larger value donations may be made by adding family members to the donators category under the \$300.00 amount.
